**Pornography Addiction among Children and Teens...It's Time to Talk**

Pornography is impacting children and teens at rates never before seen. By the age of 18, 90% of young people have viewed pornography on the internet, far too many are watching these violent and degrading images regularly; many are becoming addicted. Come and learn more about the issue, its impact on our children and how you can protect your children, grandchildren, students and all children. Over 18 is a documentary that looks factually at the issue. To find Parishes and dates where you can see this informative piece, go to [www.hamiltondiocese.com/offices/family-ministry/pornography-help](http://www.hamiltondiocese.com/offices/family-ministry/pornography-help).
