**Marriage Tip 86**

"I love you" and "you matter" are important words in every married relationship. The words however, are never enough. Ask yourself how you can show these two expressions in both words and deeds, since words alone are not enough. Ask your spouse to tell you what things you do that express these two small phrases to them - if they can't think of any, you have some work to do! Ask them how you could express your love and their importance to you and you will both find joy!

Kindness is the  
language that  
*the deaf can hear and the  
blind can see.*
