### October 4 to 10 National Catholic Health Care Week across Canada.

At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths—especially the most vulnerable. The pandemic has highlighted the timeless relevance of Catholic social teaching and our collective role in building a Canadian society that reaches out to every person who is suffering from illness, stigma, poverty, or loneliness.

During National Catholic Health Care Week, we give thanks for the courageous gift of Catholic health care during these challenging times—in hospitals, community health centers, or seniors care homes. We ask God to bless the work of Catholic health care and we offer our prayers, support, and encouragement for the people of our Catholic health organizations who care for all in need. For more info. Visit [www.chac.ca](http://www.chac.ca)

**Healing God, at this particular time of pandemic and while we are seeking to find ways to reach out and communicate with the most vulnerable, such as seniors living in isolation, we give thanks today for the gift of Catholic health care we have experienced in our own lives and in our communities. We give thanks that Jesus' ministry of healing & reconciliation continues every day as people are healed, accompanied and supported. Bless all those who work to continue the ministry of healing in Catholic health care. Amen**
