Book of Life

In our Catholic tradition, November is set aside as a month dedicated to the Souls in Purgatory. It is a time for us to reflect on our lives as a pilgrim journey to the Lord, as well as an opportunity to prayerfully remember our loved ones and friends who have gone before us. As a parish, we will highlight this month of grace by preparing our annual "Book of Life" into which we will place the names of our departed family and friends. Due to COVID restrictions we ask that all names be submitted by email to: stgreg@rogers.com or placed in the collection plate. We will insure does names are written into the 'Book of Life' to be remembered during masses in November.

**We have loved Them during life,
 let us not abandon Them
 until we have conducted Them by our prayers
 into the House of the Lord. (Saint Ambrose)**

ANOTHER WAY OF GIVING... As the new church year approaches we would like to encourage parishioners to consider E-Offertory, a safe, secure, convenient and flexible way to support our parish. E-Offertory allows you to give directly from your bank without the need of an envelope, cheque or cash. E-Offertory can be set up conveniently on your terms and can be cancelled at any time. All information is kept confidential and changes can be made quickly and easily. For E-Offertory information, please call the parish office or pick up the form which is located across from the parish hall.

Pope Francis on basic needs and environment

Christians cannot stand idly by and watch as millions of people are deprived of their basic needs because of others' greed. When the obsession to possess and dominate excludes millions of people from having primary goods, when economic and technological inequality are such that the social fabric is torn and when dependence on unlimited material progress threatens our common home, then we cannot stand by and watch," Christians must act together, rooted in God and united in the hope of generating something different and better that is more just and equitable.

When God called on his children to "have dominion" over the earth in his name, this was not to be interpreted as a 'carte blanche' to do whatever you want with the earth.

"No," "There exists a relationship of mutual responsibility between us and nature."

Communities must protect the earth, take only what they need for subsistence and make sure the fruits of the earth reach everyone, not just a few people.

We are stewards of goods, not masters or lords keeping them selfishly for ourselves. However, people easily turn property and money into ends in themselves.

When that happens the human being, who was made in the image and likeness of God, "becomes deformed" and becomes individualistic, calculating and dominating, instead of social, creative, cooperative and charitable "with an immense capacity to love." Social inequality and environmental degradation go hand in hand and have the same root cause: "the sin of wanting to possess and dominate one's brothers and sisters, nature and God himself," which was not God's plan for creation.

The inequalities in the world "reveal a social illness; it is a virus that comes from a sick economy," which is the result of unfair economic growth that disregards fundamental human values and leaves just a handful of people with more wealth than the rest of the world.

"If we take care of the goods that the creator gives us, if we put what we possess in common in such a way that no one would be lacking, then we would truly inspire hope to regenerate a more healthy and equal world,"

This month we are collecting:

Canadian Food For Children News: SHOEBOXES

Due to COVID-19 we are unable to work together at Church to make up the annual shoeboxes. Instead of bringing articles for the shoe boxes it would be appreciated if parishioners would make a monetary donation this year, please place your funds in the collection basket marked (CFFC- shoeboxes).

If anyone has articles for shoeboxes, please bring them to church and we will save them for next years boxes. Also, if you normally prepare your own shoeboxes and wish to donate, we will gratefully accept them. Please bring completed boxes marked girl/boy and size to church no later than November 21/22. Boxes will then be delivered to the warehouse for shipping. Boxes can be dropped off during office hours as well.

The flood of information at our fingertips does not make for greater wisdom. Wisdom is not born of quick searches on the internet nor is it a mass of unverified data...Freedom thus becomes an illusion that we are peddled, easily confused with the ability to navigate the internet. The process of building fraternity, be it local or universal, can only be undertaken by spirits that are free and open to authentic encounters.
