**SVDP NEWS** on behalf of The Society of Saint Vincent de Paul I would like to thank you for your generous donations all year long. We cannot do this work without **you!** The pandemic is leaving people sick, unemployed, and struggling to make ends meet. We have also seen some fires this winter; many people were burned out of their rooms/homes. There is more need right now. Please consider the Saint Vincent de Paul thrift store, particularly if you have bedding donations to make: comforters/quilts for beds, sleeping bags, sheet sets, blankets, pillows. These items can be dropped off between 10 a.m. and 2 p.m. at the Thrift Store. This drop-off schedule gives the store personnel adequate time to process the donations safely and cleanly before the Thrift Store's daily closing time at 4:30 p.m. Your lightly used bedding will be much appreciated! Again, we can't do this work without you! Thank you and may God bless you!  
Mary C. Roberts

### Cans for Coins Reminder

Thanks to the many parishioners who took a Can. Wonderful response! However, several Cans are still available. For those who do not feel comfortable attending Mass in person yet because of COVID and are unable to pick up a Can, simply use any household container and achieve your almsgiving objective just the same. Thanks for your generosity and stay safe. Cans can be returned to the Church.  
Norbert

**Found \*\*\* many old photos from 1952 & on where found inside donated empty milk bag. If these are yours, please call the office to make arrangements for pick up.**

**The Augustine Institute show with Dr. Tim Gray—Mardi Gras Formed at [www.watch.formed.org](http://www.watch.formed.org)**

I Love this analogy

When GOD wanted to create fish, HE spoke to the sea.

When GOD wanted to create trees, HE spoke to the earth.

But when GOD wanted to create man, HE turned to Himself.

Then GOD said; "let us make man in our image and in our likeness".

Note:

If you take a **fish** out of **the water** it will die; and when you remove a tree from **soil**, it will also die. Likewise, when man is disconnected from **GOD**, he dies, **GOD** is our natural environment. We were created to live in **His** presence. We have to be connected to **Him** because it is only in **Him** that life exists.

Let's stay connected to **GOD**

We recall that **water** without **fish** is still **water** but **fish** without **water** is nothing. The **soil** without **tree** is still **soil** but **the tree** without **soil** is nothing....

**God** without man is still **GOD** but man without **GOD** is nothing.
