Thank you for your Generosity!

IN HIS APOSTOLIC LETTER, *APERUIT ILLIS*, Pope Francis instituted the ***Sunday of the Word of God, Bible Sunday*** to be celebrated on the Third Sunday in Ordinary Time. This annual celebration provides the opportunity on one Sunday of the liturgical year to renew our efforts to make the Sacred Scriptures better known and to encourage a regular dialogue with the living Word. Given the restrictions of pandemic life, the Diocese has prepared a variety of digital resources (both for adults and children) for this year's celebration with specific focus on the Gospel of St. Luke (Year C). Please visit: hamiltondiocese.com to discover more and remember: #TheBibleSpeaks #WeListen! **Book marks can be found at each entrance of the church (by the donation baskets).**

The most powerful weapon to conquer the devil is humility, for as he does not know at all how to employ it, neither does he know how to defend himself from it. St. Vincent de Paul

Clothe yourself with Humility

Humility means knowing yourself, accepting yourself, liking yourself, even as you strive to become better. Humility is so hard to achieve. A caterpillar doesn't try to fly. It knows it can't. It can only crawl and climb and make sticky webs. It has to be content with that as it lives day by day, moving slowly and growing slowly until the day it is able to spin a cocoon instead of just a web. Then, after more changing and growing, the caterpillar is transformed into a butterfly. Then it can fly, and it does!

Clothe yourself with humility.

Humility means accepting yourself, and liking yourself, even when it seems you are only able to crawl or only able to climb a tiny bit.

Humility means accepting and using the talents you were given, which enable you to fly.

Humility means appreciating who you are right now, even as you strive to become all that the Lord wants you to be.

Clothe yourself with humility.

How can we ever thank God sufficiently for his thoughtfulness in our regard? We Christians of today can be as certain, as assured, of the truth of the faith that we are trying to practice as was St. Luke. We have a living, teaching Magisterium in the Church, which authentically preserves and interprets for us the true facts of Christ's teaching and works as written down for us by a first-generation Christian under the guidance of God's Holy Spirit. If we needed further proof of the priceless value of our New Testament Books, the virulent attacks on their authenticity, on their objectivity, and on their veracity, by enemies of the faith down to and including our own day, should be sufficient.

But they have stood the test of time and the onslaughts of biased, prejudiced criticism, for they are the word of truth, which is eternal, and comes from God.

We have a priceless gift of God in the inspired Books of the Bible. Let us show true appreciation for that gift by using it to build up a better knowledge of the Christian faith which it teaches us. There should be a Bible, in every Christian home. It should not be an ornament on a shelf, but a fountain and source from which we can draw strength and refreshment in the daily practice of our Christian faith. Almost 2,000 years ago, God's infinite goodness provided this source of strength, the "fountain of living water," for us Christians of this century. Are we grateful for his thoughtfulness? Are we nourishing our faith at this blessed fountain of his infinite wisdom and love? -Excerpted from The Sunday Readings by Fr. Kevin O'Sullivan, O.F.M.

STORIES OF A GENERATION WITH POPE FRANCIS is the title of a warm, uplifting and inspirational series on NETFLIX. The series began on December 25th – and is based on the Pope's 2018 book, **Sharing the Wisdom of Time**, published by Loyola Press. The series showcases stories from people over 70 from all quarters of the globe, including the Pope himself, as they impart their life experiences to young filmmakers. Each of its four one-hour episodes is devoted to a central theme: "Love", "Dream", "Struggle", and "Work". There are a few famous names among the stories, including Martin Scorsese and Jane Goodall, but most of those who are presented have never lived in the spotlight! If you subscribe to NETFLIX, it is well worth a watch!

The **Reel Justice Film Festival** is back! We are excited to offer another year of engaging films, which spotlight issues of social, political, and economic injustice. **Join us January 27, 2022 at 7:00 P.M. for "There's Something in the Water"**. The film documents environmental racism in **Nova Scotia**, revealing a portrait of ecological and social disaster, where rural areas are plagued by toxic fallout from industrial development and your postal code determines your health. This is a partnership between Development & Peace and the Bishop Farrell Library & Archives. Visit reeljusticefilmfestival.wordpress.com to view scheduled films in 2022 and to secure your spot at any of our virtual screenings!
