Many hands make light work

A Spring Clean-Up is planned for the outside of the church on Saturday, May 20, from 9:00am to 12 noon.

We will be picking up debris, refreshing our flower gardens by planting some new flowers, placing some mulch, trimming a few bushes and trees, and taking care of anything else that needs attention. To ease the pain donuts and coffee will be available.

We appreciate any volunteer help. If you plan to volunteer please bring your own work gloves. If you have any of the following garden equipment please bring it along ie. rakes, shovels, trimmers (electrical or manual). Also needed is a pick-up truck to haul rubbish to the dump. No experience necessary and all ages are welcome! The work can be as light as you are able. And those with muscles will do the heavy lifting!

Thank you for your support in helping to keep our church a beautiful place for all to worship!
