Reflection: by Sr. Helena Raphael Burns, FSP,  
Daughter of St. Paul

Happy Month of the Holy Rosary! The Holy Rosary is the solution. To what, you ask? To whatever problem you might have.

More than that, it has been known to successfully take on wars, invasions, international strife, national emergencies, deathbed conversions, family break-ups, natural disasters, terminal illnesses, crises of all kinds. For centuries, the greatest saints have relied on it and recommended it.

So why do so many Catholics not pray the Rosary regularly or at all? Unfortunately, it isn't taught to young people any more. Our youth may have never witnessed it being prayed around them—and that's a tragedy.

The Rosary is a Gospel prayer: Our Fathers (only formal prayer Jesus taught us), Hail Mary's (a super Biblical prayer—just oozing Scripture), Glory Bes (an invocation of the Holy Trinity); all punctuated by Scriptural events. More than a rote prayer, the Rosary is a meditation (even if we just reflect for a minute or two on each mystery). We are drawn into the Word of God and of the most important events of Jesus and Mary's life, for our edification and inspiration. God has given His Mother free rein to distribute graces and favours to whomever she wills. The most important gifts we could ever ask for are spiritual ones: final perseverance, the overcoming of stubborn sin, the acquisition of virtues, the salvation of souls. But the Rosary can be so boring! Yes, life is hard. But that which does not kill us makes us stronger.

Our Blessed Mother has implored us to pray the daily Rosary. We'd be foolish to ignore it...and the Heavenly promises attached to it. Revelation 20:1-3.
